

EXPERIMENT NO:-5 PACKAGES

```
package mypack;  
  
public class simple  
{  
    public static void main(String []args)  
    {  
        System.out.println("Chirag raut");  
    }  
}
```

```
C:\Users\rautc\OneDrive\Desktop\J>java package.java  
Chirag raut  
  
C:\Users\rautc\OneDrive\Desktop\J>|
```

A screenshot of a Windows command prompt window. The title bar is not visible. The window has a black background with white text. The first line shows the command 'C:\Users\rautc\OneDrive\Desktop\J>java package.java' followed by the output 'Chirag raut' on the next line. The third line shows the prompt 'C:\Users\rautc\OneDrive\Desktop\J>' followed by a vertical bar character '|', indicating the cursor is at the end of the line.
